As in previous editions, the Coppa Piave Revival welcomes modern and youngtimer cars, built from 1991 to today, and historic cars, produced up to 1990. The event aims to be a benchmark in the panorama of regularity competitions, thanks to its unprecedented route of over 190 km that embraces the beauty and history of the Treviso territory, including Montello and the Prosecco hills of Conegliano, recognized as a UNESCO World Heritage site, and the original race format, with stages in the afternoon and at night.

The prizes include awards for the top three positions in each category, as well as special awards for the Power Stage, for the best female team, for the best team under 30, the Precision Award by Proattiva, and for the team with the least overall penalties (a stay with breakfast for two people at Tenuta Ville d'Arfanta owned by Azienda Vinicola Serena Wines 1881).

Coppa Piave Revival, sponsored by the Veneto Region and the Municipality of Spresiano, is proud to announce its partners: Fassina, Thai Si Hotel & Royal Thai Spa, Azienda Vinicola Serena Wines 1881, Proattiva, Kayak, and the Centro Sportivo Lago Le Bandie, who will contribute to making this edition more exciting than ever.
